Indy Interpreting Inc (CCI Group) - Orlando, FL

The CCI Group provides interpretation and translation services with a difference. Offering in-person and remote service in over 200 languages, the company has used the quality of its team and today's technology to transform itself and the immediacy of the results its clients can achieve. CCI Groups clients span the private and public sector, serving law firms, medical providers, and school districts across Florida.

Recently, they have gone nationwide with new clients in Georgia and Texas. Vega came to the FSBDC at UCF to take her company to the next level of growth and took advantage of all the SBDC's expansive service offering.

“ *I can't even describe the impact the FSBDC has had on the growth of our business. I was a solo practitioner with one part-time employee when I started with the FSBDC. Now we are up to 10. Not just here in Central Florida but overseas... It all wouldn't have been possible without help from the FSBDC... If you ask me in 10 years, I will say the same thing: the FSBDC was part of CCI Group and we wouldn't be here without them, that's for sure.* **”**
